ABOUT SCHMITTEN

The Homburger Haus is located in Schmitten, a quiet village in the Taunus region. It is located at the foot of the highest mountain of the area and hiking trails are starting directly at the venue.

The Taunus region itself is also famous for many ancient castles, beautiful old villages, as well as the Limes Germanicus and remains of several Roman settlements. There are many different cultural and historical sites only a short drive away from Schmitten. Some of those include a reconstructed Roman fortress - the Saalburg, the castle ruin of Königstein or the better preserved Kronberg castle which can all be visited. For those who are interested in the beautiful German half-timbered buildings, there is a huge display of over a hundred houses in the open-air museum Hessenpark which includes events and exhibitions to discover the everyday lives of people who lived there.

Frankfurt (Main) is the fifth largest city in Germany and is easily reachable by bus and underground. It is the major financial center of Europe and characterized by many tall skyscrapers - which is quite unique in Germany. But the city also offers a variety of cultural and leisure activities.

The closest airport to the venue is therefore Frankfurt International Airport (FRA). Schmitten can be reached from there by train/underground, followed by a short bus ride

————— AIRPORT TRANSPORTATION —————

You are responsible for your transportation to and from the event. You should arrange your pick-up and drop-off before you arrive at the event. The closest major airport is Frankfurt/Main International Airport. If you are traveling by car with other members (even if just for part of your journey), please pitch in for fuel. Be sure to exchange phone numbers with your travel partners in advance! The airport is approximately 40 minutes away, depending on traffic.
